

### ENGEMAN RIGHT.

Walburn's Track May Get a License Thursday.

Western Delegates Seem to Have Had a Fruitless Trip.

Had to Pay Their Way Into the Gravesend Race Track.

The meeting of the turf representatives in the rooms of the Jockey Club last night was about as stormy as was the weather. Edward Corrigan, strange to relate, was one of the coolest in the party. Keene, Hunter, Knapp and Lockman were temperamental, and Mr. Hunter looked at one time as if he was going to have a terrific fit, but he managed to recover his temper.

Mr. Keene did see fit to apologize to Mr. Engeman for the gratuitous insult the Jockey Club, through Mr. "Chippie" Sturges, showed to the Brighton Beach Association in the letter of Saturday addressed to W. J. Speers.

The revocation of the boycott rule in the case of Brighton Beach of course carries with it the annulment of this, one of the most objectionable regulations to the horsemen who have opposed the Jockey Club. There will be 1-2-3 betting, and it is probable that there will be foreign books at Brighton. In return for the privilege of betting on the races of the Jockey Club and running up against such high-class Jockey Club society gentlemen as the Jockey Club, Mr. Engeman will give to the Jockey Club a sum of \$10,000.

Mr. Engeman will also give to the Jockey Club a sum of \$10,000. Mr. Engeman will also give to the Jockey Club a sum of \$10,000. Mr. Engeman will also give to the Jockey Club a sum of \$10,000.

### CAN'T PUNISH THE DOCTORS.

Fourth Ward Physicians Didn't Intend to Conceal Small-Pox.

Seven New Cases Discovered by the Health Authorities.

While the circumstances seem to indicate that the physicians who attended the concealed cases of small-pox in the lower end of the Fourth Ward some two weeks ago, are guilty of gross negligence, and are in a great measure responsible for the spread of the contagion, the health authorities, Dr. Doty, chief of the Bureau of Contagious Diseases, declares that the Board of Health is powerless in the matter of punishing the offenders.

The physicians, Dr. Doty declares, are only technically guilty of a violation of the law, and therefore any attempt to criminally prosecute them would be undoubtedly fail.

The several physicians who were summoned before the Board of Health to explain why they had failed to report small-pox cases for which they had prescribed medicine, all declared that they were not aware of the nature of the disease. They all declared that they were not aware of the nature of the disease. They all declared that they were not aware of the nature of the disease.

The accused physicians also pleaded that there was no objection to their being members of the Board of Health, as the people were invariably very poor and unable to pay for the services of a physician. A prescription was left, which was filled at some near-by drug store, and the patient, and perhaps no other visit was ever made by any physician to the patient.

### VANDALS AT JONES'S WOOD.

Silverware in the Ruins to the Value of \$20,000 Their Prey.

Insurance People Offer No Protection to the Property.

The blackened areas where until last Wednesday night stood the many pavilions, platforms and pleasure-houses of old "Jones's Wood" are daily and nightly the scenes of small riots and the depredations of hoodlums. A report reached "The Evening World" this morning that a crowd of boys had last night dug from the ruins a quantity of silverware and made off with it. A reporter sent to the scene learned that the burnt area is a breeding ground for a gang of junk-gatherers and the frequent looting of the ruins at night.

There is a vast quantity of damaged property exposed, and there has not been from the beginning a single insurance patrolman or policeman stationed on the spot.

There were prowlers all over the place this morning turning up the wreckage and picking out material of real or fancied value. In a corner of a foundation wall the reporter came upon a number of his own men several nights ago who were digging out a long piece of lead pipe. At the approach of a policeman their work was abandoned and the crowd assumed a careless air.

The insurance people have done a little to protect the ruins, but they have done nothing to protect the property. The insurance people have done a little to protect the ruins, but they have done nothing to protect the property.

### FALSE LOVER CAUSED HER WOE.

So Says the Woman Who Sues Ernest Victor Marshall.

Maria Elias Wants \$10,000 for Alleged Breach of Promise.

Ernest Victor Marshall, proprietor of the Mocha Cafe, at 409 Third avenue, was arrested late yesterday afternoon by Deputy Sheriff Walsingham on an order issued by Judge Fitzsimmons, of the City Court, in an action brought against him by Maria Elias to recover \$10,000 damages for breach of promise and betrayal.

She alleges that the defendant became very attentive to her and in August, 1893, proposed marriage. She accepted his offer and it was arranged, she says, that they would be married during the Christmas holidays of that year.

Under the promise of marriage the plaintiff swears, Marshall deceived her and is the father of a child born to her May 11 last at a hospital in this city.

Marshall promptly furnished the \$1,000 bail required, and was not taken to jail. In her complaint Maria swears that she has lost her reputation.

Now she resides with her sister at 163 Lexington avenue.

She claims that she comes of a good family in Hungary and is a graduate of a "ladies' college" there.

CHINESE ORDER REVIVED.

Chicago Mongolians Start the Tong Gee Hong Fraternity Anew.

CHICAGO, May 23.—In a gorgeous fabric and fringed formal robe, seven Chinese men last night re-established the Order of Tong Gee Hong in Chicago. This fraternity had existed in this city for many years, but about eight months ago was disbanded because of dissensions. The Society of Tong Gee Hong is now arranging for a permanent lodge-room, which will be fitted up in Oriental magnificence. The society is said to have nearly 1,000 members in the city have taken the initiation of the society.

Cardi have been issued by Wang Kee, the Ward McAllister of Chinatown, for the Chinese of this city. The event will be second only to New Year's with the Celestials. Wang Kee is now acting as the president of the society. He is a native of the United States as any of the American boys.

AWAKENED BY A MADMAN.

Mrs. Ward's Husband Tried to Strangle Her While Insane.

John Ward, aged thirty, a German barber, was taken from his home, 127 East Third street, to Bellevue Hospital, insane, this morning. Two years ago he was struck by a wagon and was injured. He was placed in the insane pavilion.

During the past two weeks he has become violent and has been striking his wife. He was taken to the hospital and is now in the insane pavilion.

When taken to Bellevue Hospital the physicians said he was suffering from a severe case of insanity. He was placed in the insane pavilion.

FORGED A CONTRACT.

Lindsay Got \$6 Commission from a Publishing House.

Robert W. Lindsay, thirty-two years old, of Carlton avenue, Brooklyn, was held for examination at Jefferson Market Court to-day. He was arrested by Central Office Detectives Formosa and Alonzo last night, charged by Gibson, publisher of the "Morning News," with forging a contract for the publication of a book. Lindsay obtained a blank contract from the publisher, and returned to the publishing office an hour later. He had signed the contract "Robert W. Lindsay, No. 37 Union square," and the paper called for a place advertisement, for which, it was alleged, the firm would pay \$6,000.

Parkerburg, W. Va., Republican.

MARTINSBURG, W. Va., May 23.—The municipal election held here yesterday was a Waterloo for the Democrats. The Republicans carried every ward in the town for Mayor and four out of five for the Council. The vote in one ward is a tie. John H. Smith, Republican, was elected Mayor by a majority of 225. At the last municipal election the Democrats elected their Mayor by 72 majority and four out of five Councilmen.

Woman Murdered in Florida.

JANESVILLE, Fla., May 23.—Miss Carrie Kasser, about twenty-two years old, was found murdered in the woods near here last night. The body was discovered by a hunter who was out for a deer. The woman was found with her throat cut. The police are now looking for the murderer.

CLOSED FOR LACK OF COAL.

Railroad and Other Shops Feel the Effects of the Strike.

ST. LOUIS, May 23.—Specimens from railroad centers of Missouri, Kansas and Arkansas indicate that business there is becoming paralyzed by the coal miners' strike and the consequent scarcity of coal. At Sedalia, Mo., the Missouri Pacific shops shut down at noon yesterday for the remainder of the month. The shops of the Central branch railroad at Atchison, Kan., have been closed since yesterday. At Van Buren, Ark., the Missouri Pacific road shops and round-houses are at a standstill, nothing but passengers and perishable freights moving. At Lincoln, Ill., the roller mills have closed down, and the electric street cars were obliged to stop running.

DYNAMITE IN THE MINES.

Cripple Creek Strikers Could Have Killed All Non-Union Miners.

DENVER, Colo., May 23.—Information has been received from Cripple Creek that even had the strikers been driven from the camp, the mob who took their places in the mines would be in imminent peril. Every mine in the camp over which there has been trouble is "loaded." Large quantities of dynamite have been stored in the mines, and the strikers are threatening to blow up all non-union miners.

### BULLS GAINED MORE COURAGE.

They Used the Outstanding Short Interest to Put Up Stocks.

Burlington and Quincy Attacked but Quickly Rallied.

The bulls displayed a little more courage this morning, and advanced the entire list, using the heavy outstanding short interest as a lever with which to lift the market. They experienced little difficulty in alarming the bears in Chicago and New York. The former rose 1 to 2 1/2, and the latter 1 1/2 to 2. The gains otherwise were 1-8 to 3-4 percent, but the volume of trading was light.

The gold shipments to Europe had no effect upon the market, while the fact that securities in London were quoted higher for the month of May 1894, had no effect upon the market.

After 10:30 A. M. there was a pressure to sell Burlington and Quincy under which that stock declined from 7 1/8 to 7 1/4. Manhattan fell 1 to 1 1/2 and Long Island declined 1/2 to 1. Speculation soon became strong again.
